WeCAN Learnings Report

DECLARATION OF CLIMATE EMERGENCY 2019

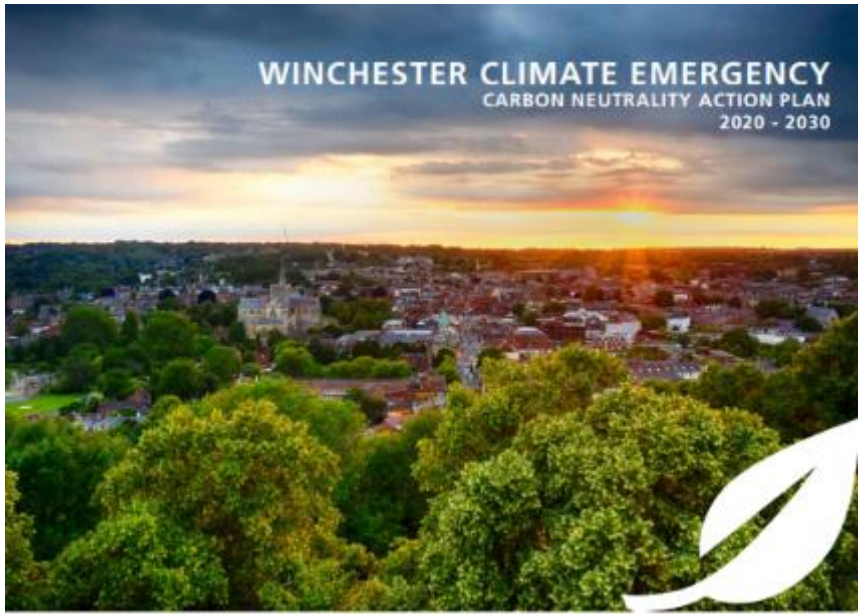

- Commit to making the activities of Winchester City Council carbon neutral by 2024, and the district of Winchester carbon neutral by 2030, taking into account both production and consumption emissions;
- Publish a report within six months setting out the immediate actions the council will take to address this emergency and a plan to measure annual district progress towards meeting the 2030 target;
- Work with partners across the district to deliver this new goal through all relevant strategies and plans and drawing on local and global best practice;
- Support the lobbying of Government in relation to the Climate Emergency and providing the additional powers and resources needed to meet the 2030 target.

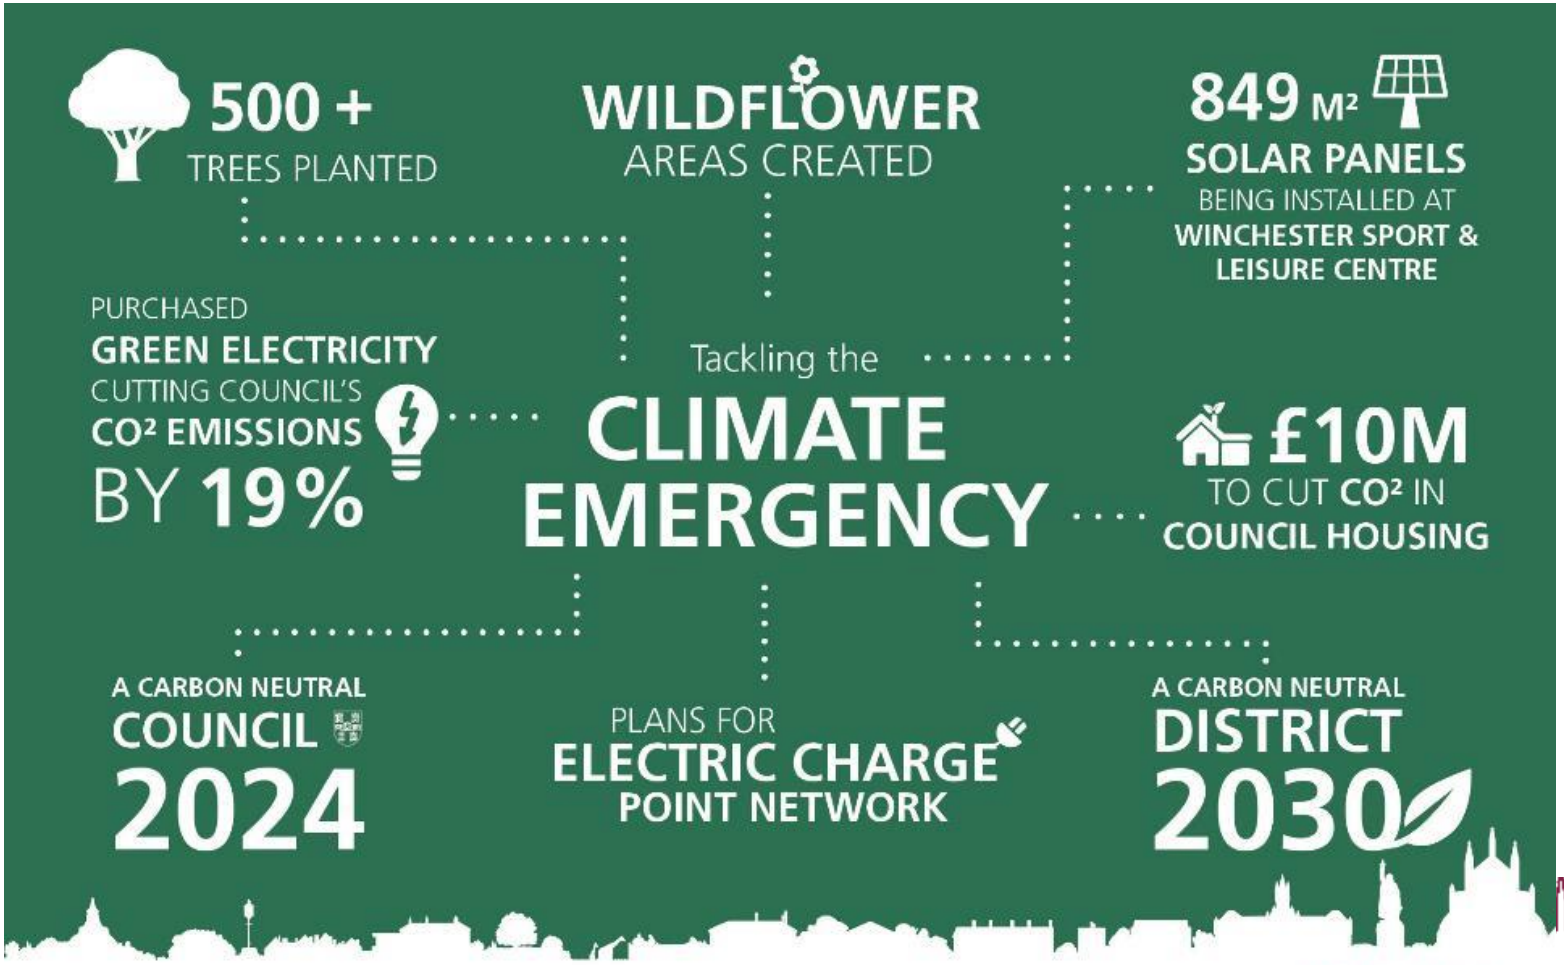

CARBON NEUTRALITY ACTION PLAN (CNAP)

- Priority Action Areas

  - Transport
  - Property / Housing
  - Energy
  - Mitigation / Offsetting
  - Biodiversity
  - Recycling and Waste
  - Planning and Development
  - Commerce and Economy

CLIMATE EMERGENCY DECLARATION - FIRST ANNIVERSARY

GREEN ECONOMIC DEVELOPMENT STRATEGY (GEDS)

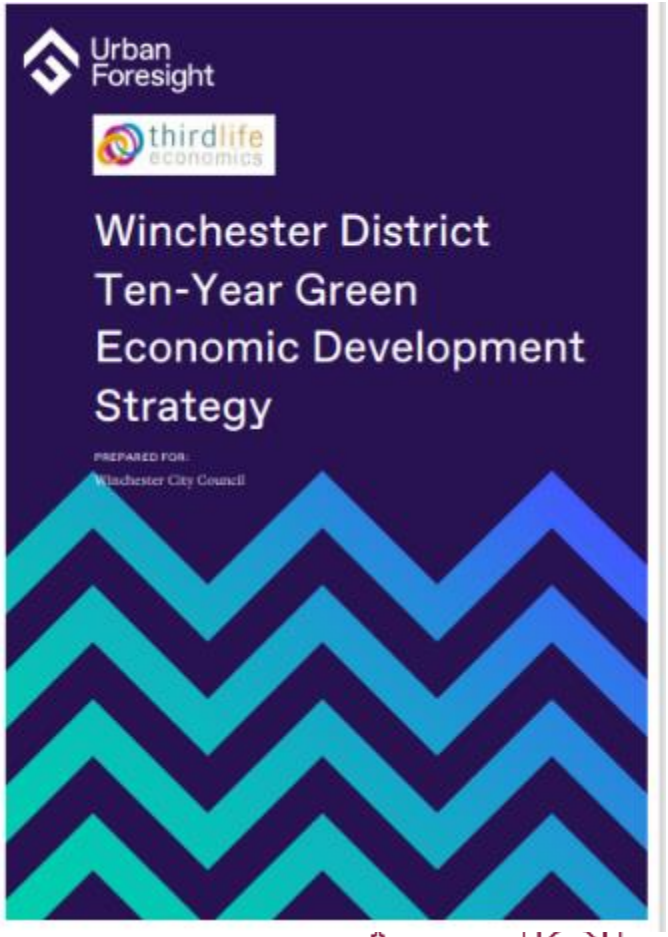

The Green Economic Development Strategy (GEDS) sets out the direction for the next ten years to bring green economic growth and transition to net zero carbon.

https://www.winchester.gov.uk/business/economic-development

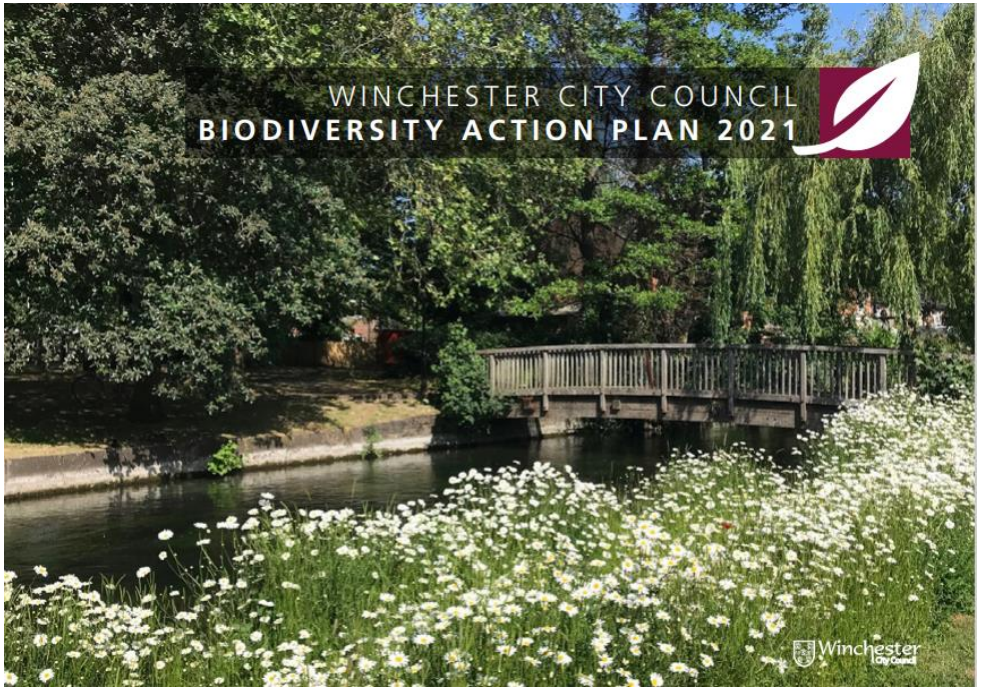

GREEN ECONOMIC DEVELOPMENT STRATEGY (GEDS)

1. Innovative business and economy
2. Skills and competitiveness
3. Culture, creative, and visitor economy
4. Connected, public, and electric transport
5. Affordable, low carbon housing
6. Green infrastructure, biodiversity, and renewable energy

To get involved in one of the action groups, or have your say on what you think the priorities are, you can complete the Theme & Action Engagement feedback spreadsheet and email your response to ecodev@winchester.gov.uk.

DISTRICT CARBON FOOTPRINT: ROADMAP TO CARBON NEUTRALITY

The council is tendering a contract to create a Roadmap of project and investment interventions mapped against carbon savings to cover March 2022 to December 2030.

Aim to complete by Autumn 2022

Will guide actions and investment priorities to meet 2030 target.

Winchester City Council

GREEN GRANTS

Crowdfunder

- Crowdfunder and WCC have teamed up to award a share of £70,000 in +Extra funding to up to 20 community or environmental projects across the district. Better still, you'll get £500 as soon as your project goes live!

- To be in with a chance of getting up to **£4,000**, organisations must set up a crowdfunding campaign and apply before **Friday 20 May**. The campaign can be a rough draft. To find out more and make an application please see the website here, or contact our Funding and Development Officer (Jane Chuhan: 01962 848256 or jchuhan@winchester.gov.uk,).

Winchester City Council

GREEN GRANTS

LoCASE (Low Carbon for the South East)

- Match-funded grants of up to £10,000
- Up to 40% of cost
- SME
- Covers range of energy efficiency measures e.g. materials, equipment and installation.

https://locase.co.uk/eligibility-criteria/

Winchester City Council

EV CHARGE POINTS

Phase 1

Phase 1 complete with 32 EVCPs installed across 16 sites predominantly in WCC car parks

Winchester City Council

EV CHARGE POINTS

Phase 2

In Phase 2, we want to roll this out to all

41 Parishes. They will be invited to:

- Information Webinar run by EST
- Submit potential locations (pavilions, village halls)
- Doesn't have to be on their land
- Will support those without off-street parking
- Innovation welcome!

WCC will assist with liaison with DNO, Highways, legal & Land Owner and apply to LEVI Fund in March 2023

To express an interest, please contact awyse@winchester.gov.uk
