The first repair cafe started up 8 years ago today in Amsterdam, so I thought it appropriate to start my hunt for others that are interested in setting one up in Portsmouth next year. Please spread the word and join this group if you're interested in finding out more and helping out.

Meeting on the 3rd Saturday of each month, except August, from 10.30am to 1pm at Buckland United Reformed Church, 174 Kingston Road.

You can bring along your broken household and electrical appliances, bikes, toys, clothes, furniture and jewellery and there will be expert repairers on hand to help you fix them.

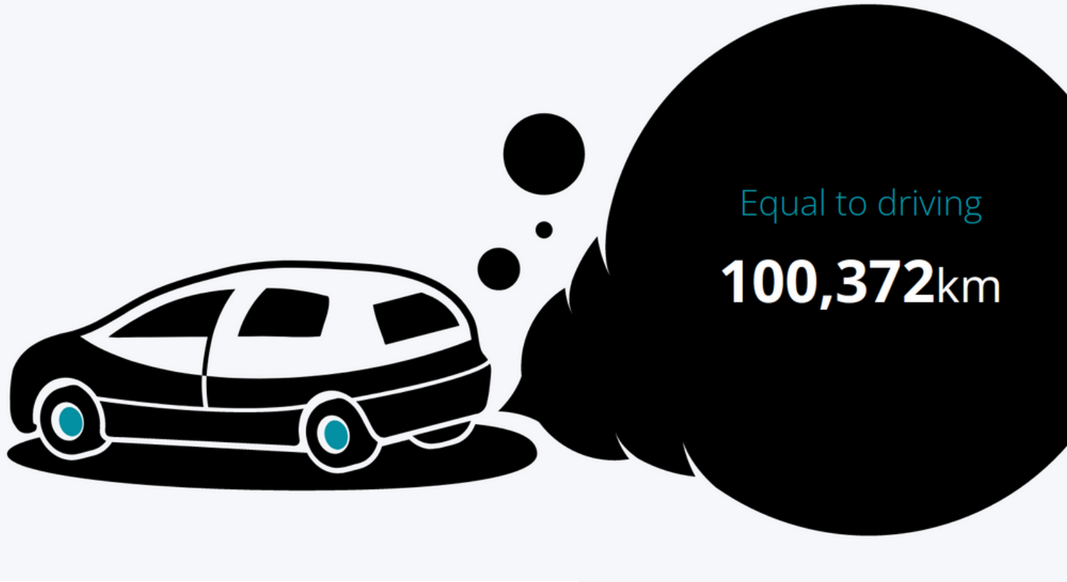

There is a small café so you can grab a cuppa and cake whilst you wait and everyone is welcome.

The event is free, but we do ask for donations so that we can keep running.

We look forward to seeing you soon.
